---

With Alcohol

Cold

recipe.shot

## INGREDIENTS

- 10cl lager
- 1cl lemon syrup 1883
- 3cl dry white wine

Cerveise is a legendary drink, but very few people actually know about it - or thus drink it. Here's a way to bring it right up to date.

---

## INSTRUCTIONS

Pour the syrup and white wine into a shot glass, and pour the beer into a tumbler. Pour the former into the latter - and down in one. A Jagerbomb-style domino trick is a possibility.
