## CARAMEL MACCHIATO

---

### INGREDIENTS

- 3cl espresso
- 2cl caramel syrup 1883
- 20cl milk foam

The same method as for the vanilla. Many syrups can be used to flavour macchiatos.

---

### INSTRUCTIONS

Pour the chilled milk into a milk jug with the caramel syrup. Foam with a steam wand to obtain a creamy, smooth consistency. Pour into a toddy glass, and layer the espresso over it. Decorate with half a vanilla pod.
