INGREDIENTS

- 1cl passion fruit syrup 1883
- 1cl Midori melon liqueur
- 1cl strawberry vodka

Here's a fruity, exotic shooter in the colours of the Jamaican flag. A spectacular-looking drink that most barmen can prepare.

INSTRUCTIONS

Pour the syrup into a shot glass. With a mixing spoon, layer the liqueur on top of the syrup, then repeat with the vodka. Possibly set afloat, and drink in one go through a straw.
