## VELVET CHERRY

---

With Alcohol

Cold

Short Drink

### INGREDIENTS

- 4cl vodka
- 2cl cherry syrup 1883
- 1cl Galliano liqueur
- 2cl liquid sour cream

A potent after-dinner cocktail with fruity and floral notes. It will be a particular hit with women, who are somewhat averse to this type of drink, which is also visually gorgeous.

### INSTRUCTIONS

Pour the vodka, 2cl of syrup and the Galliano into a mixing glass. Stir and strain into a chilled martini glass. Stiffen the cream with 1cl of syrup, using a whisk or shaker. Cover the cocktail with the flavoured cream, and garnish with grated nutmeg and dark-chocolate shavings.
